The first part of the paper discusses the importance of maintaining accurate records of all transactions, including sales, purchases, and expenses. It emphasizes the need for a systematic approach to record-keeping, such as using a ledger or accounting software, to ensure that all financial data is properly documented and organized. This section also highlights the benefits of regular reconciliation and auditing to identify any discrepancies or errors in the records.

The second part of the paper focuses on the importance of budgeting and financial planning. It explains how a well-defined budget can help a business or individual track their spending, identify areas for cost reduction, and make informed decisions about future investments and growth. This section also discusses the importance of setting realistic financial goals and regularly reviewing progress to ensure that the budget remains on track.

The third part of the paper explores the importance of understanding and managing cash flow. It explains how cash flow is the lifeblood of any business, and that maintaining a healthy cash flow is essential for meeting obligations, paying bills, and investing in the future. This section also discusses various strategies for improving cash flow, such as invoicing promptly, negotiating payment terms, and managing inventory levels.

The fourth part of the paper discusses the importance of understanding and managing taxes. It explains how taxes can significantly impact a business's bottom line, and that staying up-to-date on tax laws and regulations is crucial for minimizing tax liability and avoiding penalties. This section also discusses various tax-saving strategies, such as taking advantage of deductions and credits, and consulting with a tax professional for personalized advice.

The fifth and final part of the paper discusses the importance of understanding and managing debt. It explains how debt can be a double-edged sword, providing a source of capital for growth but also increasing financial risk. This section also discusses various strategies for managing debt, such as negotiating lower interest rates, consolidating debt, and creating a realistic repayment plan.

A high-angle, sepia-toned photograph of a large crowd of students gathered in a school courtyard. The students are dressed in 1980s-style clothing, including sweaters, jeans, and button-down shirts. They are engaged in various activities, some standing in groups, others walking, and some sitting on the ground in the foreground. The courtyard is paved and surrounded by trees and school buildings in the background.

# In The Spirit Of '80

We have had a great year at Gurey High School as many things were accomplished thanks to the hard work of the student body, the faculty and our new administration.

This year the student body and faculty have been working hard to make sure we have a great year. We have incorporated many new ideas and activities. At the same time, we have looked forward to our Christmas Weeks and Backwards Weeks activities being as rewarding as ever.

A special word to the seniors who are leaving us this year. We are proud of you and the many achievements you have made. We will miss you, but we will always be proud of you. The future of Gurey High School is in good hands with you. The future of our school is in good hands with you. We will miss you, but we will always be proud of you. The future of Gurey High School is in good hands with you.

# "Class Of '80 The Best"

As the president of the class of 1980 I would like to thank each and every one of you for giving me the opportunity to serve as your class president during our senior year.

Our freshman year was rather exciting and unusual. Instead of being apathetic, we showed, under the guidance of Mr. Neil Romero, that we were the best by taking part in school activities and by earning the "Class of the Year" award.

Our sophomore year was even more exciting. We were, by then, acquainted with the customs and procedures of our high school and we were ready to earn "Class of the Year" for the second year in a row.

When our junior year came, we were all enthusiastic about the fact that we had only one more year to go. The 1979 prom was given by our class and it was a huge success. It was judged to be one of Garey's best proms. It had to be the best, we gave it! The outstanding prom was only one achievement that led us to become class of the year for the third consecutive year. There was no stopping us then and "there ain't no stoppin' us now."

Our senior year has been the best year of all and your cooperation and participation was greatly appreciated. I would like to give special thanks to Mr. Garcia and Mr. Rizzi for letting me talk them into so many things to make our class number 1. I enjoyed my four years at Garey High School very much. I feel Garey is the best high school in Pomona and it has a lot of good things going for it. I was pleased to be a varsity cheerleader for two years and to support our athletic program and represent our school.

Even though it seemed only yesterday that we had come to Garey, the time had come for us to think about the future. We must now continue life elsewhere. We will carry the memories of our fun-filled high school days with us and make plans for our future. May all of your future dreams come true. I wish all the graduates of the class of 1980 all the luck in the world and whatever you do, always remember the class of '80" will be known as the BEST!

## VARSITY WERE HARD TO STOP IN S.A.L. ACTION

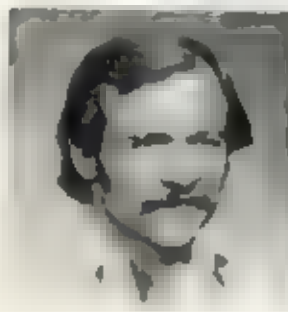

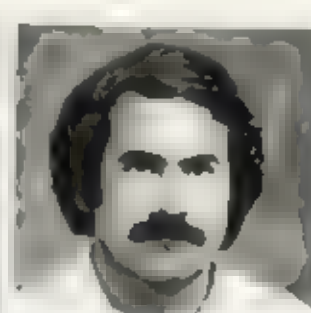

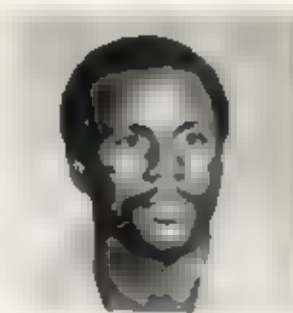

There was no stopping the Vikings in San Antonio League action. There were times during the season when the opponents tried to hold down the mighty Vikings, but the Vikings triumphed in League play and ended the season as League champions. The victorious Vikings were finally stopped by the Claremont Wolfpack in the C.I.F. quarter finals, by a score of 18-15.

The season was highlighted by many glorious moments. One of these moments occurred when the Vikings played against the Alamo Loma Braves and the score was tied 14-14 in the fourth quarter with four minutes remaining. Fullback Duncan Tuitau dashed up the interior of the line for the winning touchdown.

The season had its disappointments also. One of these happened when the Vikes lost by two points to one of their cross-town rivals, the Pomona Devils.

Along with assistants, Coach Lucas, a newcomer to our coaching staff, turned the Viking squad into a winning team.

Two top members of the Viking squad received top honors in the All S.A.L. Team. The members chosen were wide receiver Shephard Kellen, offensive player of the year, and Duncan Tuitau, who shared defensive player of the year. Other Vikings who were chosen for the All S.A.L. Team were as follows: first team offense, Darrell Irons, Carlos Diaz, Corey Shephard; first team defense, Micah Sims and Darrell Ford; second team offense, Dean Shephard, Darryl Tinsworth, and Ceal Dixon; second team defense, Jimmy DeWitt, Ross Hutton, Glenn Carr, and Anthony Haire.

## Sal League Title Seized By Viking Frosh

Under the command of new enthusiastic coaches, the Frosh Squad recaptured the SAL title held by the Vikings two years ago. Coach Carillo praised the outstanding performance of Demtriss Williams, Timm Carr, and Joe Larson.

The outstanding coaching team of Carillo and Rashan was joined by Dr. Ira Krinsky, Deputy Superintendent of Schools, who took time out from his important duties as second in command of the Pomona Unified School District.

## Volleyball Ranked Third In SAL

Good but not best, yet, the 1979 Varsity Volleyball team finished the League season in third place this year. This year's team had only three returning players: Lydia Cooks, Sally Hernandez, and Teresa Hite. The new coach, Mr. Mark Rigney, kept faith in his team and watched the women score four wins. These wins were scored against China and Ganesha once and against Montclair twice.

All of the new players for this year: LaSonia Bender, Cheryl Castaneda, DeLores Jimenez, Sharon McNeill, and Angela Simkins, will be returning next year. Also returning next year with hopes for first place in Sal League will be Coach Rigney.

The Volleyball Team are: top row, l. to r., Coach Mark Rigney, Angela Simkins, Sharon McNeill, Lydia Cooks, Cheryl Castaneda, row 2, l. to r., DeLores Jimenez, Heather McMurdo, Teresa Hite, LaSonia Bender, Sally Hernandez.

## SAL Champs Go Two Rounds In CIF Playoffs.

The 1979-80 Varsity Men's Basketball Team took the S A L crown and advanced into the second round of C I F. play off's. The team finished with an 11-1 league ledger, with the only loss coming in the final game of the campaign, against crosstown rival Ganesha.

The Vikings clinched the title with three games left in the season. It was a come-from behind victory at Montclair, the final score being 66-59.

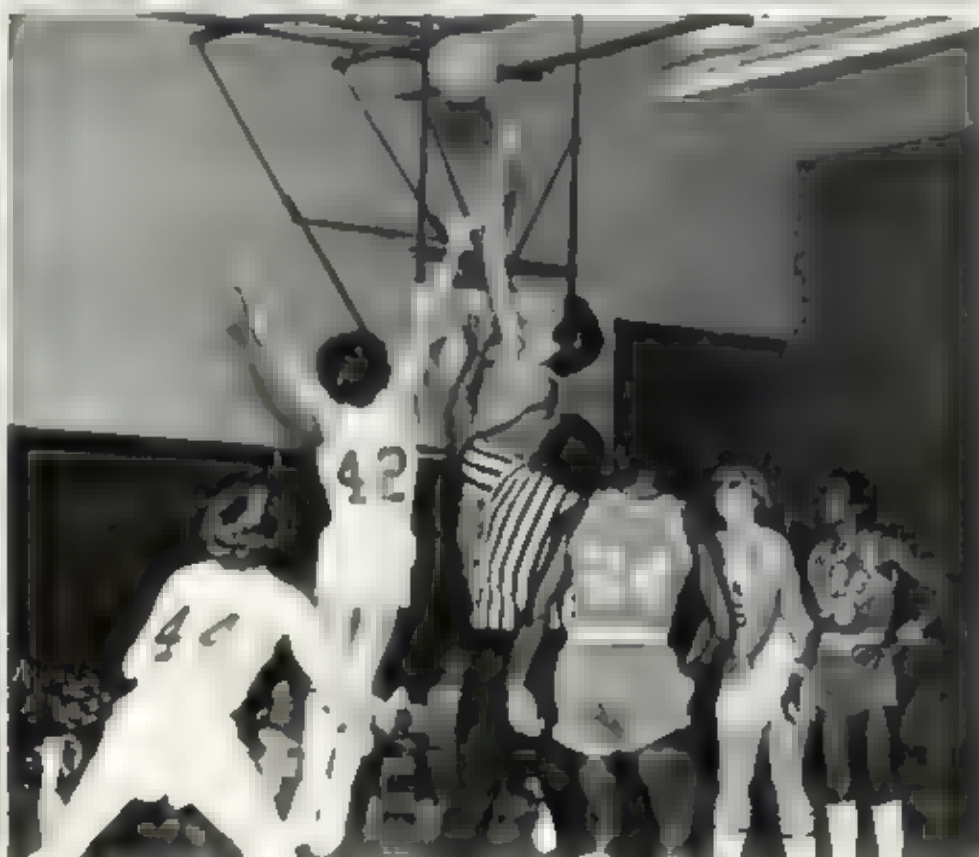

In the opening round of the C I F. playoffs, the squad went head to head with a game against the Arlington quarter. It took two overtime periods, but our Vikings finally put the Lions to rest 87-83. The home crowd was enthusiastic in supporting the hard fighting Vikings.

Second round play was against Brea-Olinda at Valencia High. The Wildcats attacked the Garey five from the onset and never quit. The result was a never-in-the-lead-through-out-the-game loss for our Vikings, 72-67.

The past season marked the ninth consecutive year that Garey's varsity cagers reached the C I F. playoffs. And supporting 11-1 league record in the S.A.L. in its final year of existence is a marked achievement.

## "You Can't Take It With You"

For this year's fall play, Mrs. Borkmeyer's drama group presented the Kaufman and Hart production, "You Can't Take It With You." The play, written in the late 1930's, deals with a family of people happily detached from reality. This family consists of a tax-evading, tomato-juicing, rat-catching grandfather, his daughter Penny, self-styled painter and playwright Paul, husband of Penny and maker of fireworks, assisted by Mr. Depina, the kisser, Ed and Elsie, who respectively play the xylophone and dance, and Alice, the daughter of Paul and Penny, and the one normal member of the family.

During the course of the Pulitzer Prize-winning production, the Vanderbilts/Symmores are confronted with a Russian dance instructor named Klenkoff, an irate risk collector, the sexual parents of Alice's beau Tony Donald, the maid Rheba's boy friend, several G-men, a drunk and disorderly actress, and the Grand Duchess Olga Karina.

In the end, the main confrontation is between Grandpa Vanderbilt and Tony's father, Anthony Kirby, Sr. Grandpa argues that Mr. Kirby is not relaxed enough, that he wastes so much time doing things he doesn't want to do. Though Kirby debates with great force, Grandpa, back common sense overcomes him in the end, and he is liberated ever, as he is defeated. The moral of the play? Relax and enjoy... you can't take it with you.

**Activities**

February 1, 1980, was the beginning of our Black History Month at Garey High School. It began with readings of famous black historians each morning on the school bulletin for the entire month. B.S.U. President Dennie Buggs worked hard all month to get the Black History Program together. There were not many activities happening on campus, but a lot was going on behind the scenes. The program was a smashing success. It was performed at schools such as Centennial High in Compton, Lexington Elementary, Fremont Jr. High, and Perris High. Again, it was known as one of Garey's best assemblies.

The B.S.U. Court was selected on the basis of how active the persons were. Tille Carr was crowned queen and her court was Karen Brown, Nina Clinton, Cassandra Hollis, and Rhonda Renfro.

The Black Student Union - now known as the Young, Gifted, and Black Club - would like to thank everyone. Also, they would like to give special recognition to Mrs. Roberts for advising them this year, and to Mrs. Irving and Ms. Murphy for all their help.

## **"... A NEW BEGINNING ..."**

Nineteen eighty will mark a new beginning in the history of Gorey High School. In addition to a new administration, there have been numerous changes in the entire program. Such changes will continue as we strive to make Gorey High School the school it should be. We still remain far from our desired goals; however, if we pool our efforts, I am sure we will see our goals accomplished.

I am proud of our student body. Most of you have worked hard to excel academically as well as athletically. Your rewards will come in the form of recognition, grades, scholarships, future education, and career accomplishments. Those of you who are seniors will be sincerely missed. I wish you success in all of your future endeavors. To the rest of you, I want to challenge you to strive to improve your academic skills as well as your spirit of friendship, happiness, and good will.

Congratulations to the yearbook staff and to Mr. Fischbach for all their efforts in creating such a fine yearbook.

#### HOURGLASS

We all have our own hourglass  
 Made to measure our life.  
 For some, the sand falls slowly  
 Only one grain at a time.  
 For others, it seems  
 As if it's over  
 As soon as it's begun.  
 I never could understand  
 Why some have more time than others  
 And I probably never will.  
 It's just so hard to bear  
 When a friend's time is over.  
 It's all in God's choosing  
 How fast the sand will fall.  
 But He will turn the timepiece over  
 And allow the sand to flow.  
 Nothing will ever stop it  
 In the flow of eternity.

We made a name for ourselves at Garey in the '79-80 school year "Proud". We witnessed almost all of our sports teams take the crown or reach CIF playoffs in the last year of the San Antonio League. That was a great accomplishment. Because of this high morale created in the school we also saw more student involvement than in the past few years and we set an example for the next school year.

This is Garey High School's basis and record. I am proud to have been an instrument in its publication. I hope that everyone will learn from the experiences gained this year at Garey.

Many thanks go to Wayne & Moore Photography Jack who got a picture of our moment's notice Celeste and Helen for all the work they did and Wayne for the cameras and help. I am also grateful to Joe Cramer who worked with me all the late hours and weekends and supplied encouragement.

And now with renewed zest I leave the Sago deadlines behind me and bid good bye to Garey High School. I really had fun. I hope you enjoyed reminiscing with me.

Sincerely,

*Beverly Hope*

The first part of the paper discusses the importance of understanding the cultural context of the research. It highlights the need for researchers to be sensitive to the values and beliefs of the communities they are studying. This is particularly important in the field of education, where cultural differences can significantly impact learning outcomes.

The second part of the paper focuses on the methodology used in the study. It describes the process of selecting participants, collecting data, and analyzing the results. The authors emphasize the importance of using a mixed-methods approach to gain a comprehensive understanding of the research topic.

The third part of the paper presents the findings of the study. It discusses the results of the quantitative data analysis and the insights gained from the qualitative interviews. The authors conclude that there are significant differences in learning outcomes between the two groups, and these differences can be attributed to cultural factors.

The final part of the paper offers recommendations for future research and practice. It suggests that educators should be aware of the cultural context of their students and tailor their teaching methods accordingly. Additionally, it calls for further research to explore the underlying mechanisms of the cultural differences observed in the study.
